## Bedford Borough Council – The Mayor

Date of Decision: October 2015

### Report by the Director of Children's and Adults' Services

**SUBJECT: Consultation on the proposed move from a 3 tier to a 2 tier school structure in Bedford Borough**

#### **1. Executive Summary**

- 1.1 The report seeks the Mayor's approval to commence a public consultation on the Bedford Borough school structure moving from a 3 tier to 2 tier arrangement. If approved the consultation is proposed to run from 4 November 2015 to 16 December 2015, with the outcome of the consultation being considered by Executive at its meeting on 20 January 2016.

#### **2. Recommendations**

**2.1 The Mayor is requested to consider the proposals set out in this report and, if satisfied;**

- (i) Approve that the Portfolio Holder for Education finalise the draft consultation document (appendix one) on a proposed change to the Borough school structure;**
- (ii) Agree that the Consultation should run from 4 November 2015 to 16 December 2015;**
- (iii) Note the results of the consultation will considered by the Executive at its meeting on 20 January 2016.**

#### **3. Reasons For Recommendations**

- (i) To enable the Council to consult with residents in Bedford Borough regarding a proposed 3 to 2 tier conversion;
- (ii) To comply with the requirements of the current Schools Admission Code;
- (iii) To enable the Executive to have regard to the views of residents in reaching its final decision regarding the proposed changes to the school structure.

## 4 **Key Implications**

### Legal Issues

- 4.1 The School Admissions Code which provides statutory guidance that the Council must follow. The Code states that a consultation on School Admissions policy must be conducted for a minimum of six term time weeks between 1 October and 31 January in the year before the change takes place.

### Policy Issues

- 4.2 A decision to progress a move from 3 to 2 tier education will be considered by the Executive on 20 January 2016.

### Resource Implications

- 4.3 The proposal to move from a 3 tier to a 2 tier school structure will require significant capital investment in the schools' infrastructure by the Council. The cost of the capital investment will be finalised following the outcome of the consultation. This, together with an assessment of the affordability in light of the Council's available resources, will be considered as part of the Capital Programme Report by the Executive on 20 January 2016 as part of the budget setting process with subsequent consideration by Full Council on 3 February 2016.

### Risk Implications

- 4.4 The proposed change to a two tier school structure would be a significant undertaking for the Council which can be expected to generate considerable interest amongst residents therefore the issuing of a clear consultation document is imperative.
- 4.5 Consultation on a significant change in education policy must be undertaken so the Council can make an informed decision on 20 January 2016.

### Environmental Implications

- 4.6 There is no environmental impact as a result of implementing the recommendations of the report.

### Equalities Impact

- 4.7 In preparing this report, due consideration has been given to the Borough Council's statutory Equality Duty to eliminate unlawful discrimination, advance equality of opportunity and foster good relations, as set out in Section 149(1) of the Equality Act 2010. Equality issues identified on relation to the proposal will be considered by the Executive of the Council on 20 January 2016.

## 5 Details

### Background

- 5.1 The Mayor met with representatives of the Borough's upper, middle and lower schools on 3 July 2015 to announce the Council's intention to support schools in Bedford Borough to convert from a 3 tier to 2 tier education system.
- 5.2 Application forms were issued to schools for completion by 28 September 2015. The application forms asked schools to indicate whether they intended to convert to a two tier system and encouraged partnership working between schools.
- 5.3 The applications made by schools have been assessed and there is a majority in favour of converting to the 2 tier structure.

### Public consultation

- 5.4 The purpose of this report is to seek approval to commence a public consultation on the intention to support Bedford Borough Schools to convert from a 3 tier education system to a 2 tier education system.
- 5.5 The consultation (appendix one) is required to enable residents of Bedford Borough to comment on the proposal to convert from a 3 to 2 tier education system. The consultation document will;
- Clearly show the proposed onward journey for each pupil in each year group up to 2020.
  - List links to each school website so consultees can access individual schools consultations if required.
  - Visually show the transition options from Primary to Secondary education.
  - Show the proposed admission numbers for each school.
  - Give details on how to respond.
- 5.6 The results of the consultation will be presented to the Executive of the Council on 20 January 2016. Executive will then need to consider whether to accept or reject the policy of 2 tier education in Bedford Borough taking into account the consultation responses. Commensurate with this will be consideration of the capital funding required to facilitate schools to convert from a 3 to 2 tier structure.
- 5.7 It should be clear that individual schools will conduct individual consultation which will be summarised in the document issued by the Council intended to give a strategic overview. During the application process the majority of schools in Bedford Borough expressed the wish to convert from 3 to 2 tier education system, however it is important that the views of the Bedford Borough residents, especially parents, are considered before taking any decision on changing the education system.

### Schools retaining the 3 tier structure

- 5.8 Schools in the Wootton/Stewartby area of Bedford have indicated that as a group, they do not wish to progress conversion from 3 to 2 tier education. Those schools are Broadmead Lower School, Wootton Lower School, Marston Vale Middle School Academy and Wootton Upper School Academy. Although one school expressed an interest in a future conversion they were clear that any move would have to be agreed by all schools in the area.

### Schools already in a 2 tier structure

- 5.9 Schools in the Bedford Academy cluster are already operating a 2 tier education system. Those schools are Bedford Academy Secondary School, Cauldwell Primary School, Cotton End Primary School, Elstow Primary School, King's Oak Primary School, Shackleton Primary School and Shortstown Primary School.

## **6. Summary of Consultations and Outcome**

- 6.1 The following Council Units or Officers and/or other organisations have been consulted in preparing this report: Management Team
- 6.2 The following Members have been consulted in preparing this report: Portfolio Holder for Education
- 6.3 No adverse comments have been received.

## **7. Ward Councillor Views**

# School structural consultation

Bedford Borough School Structure Changes

Public Consultation

## Foreword

On Friday 3 July 2015, we announced that we would work alongside schools in Bedford Borough to design and deliver a transition from a three-tier education system (with lower, middle and upper schools) to a two-tier system (with primary and secondary schools).

We have been working alongside head teachers and governors to ensure that these changes to schools are as coordinated and coherent as possible and, at the same time, are able to offer future certainty to parents, carers and guardians.

Having spoken to many parents in the Borough, our priority is for every school in the Borough to be good or outstanding and to ensure that parents, carers and guardians are able to clearly understand the route their child, or children could take through the education system.

We feel it is important that as schools are finalising their school-specific proposals and consulting on them accordingly with their communities, Bedford Borough Council provides an overview of the strategic plans for the Borough as a whole.

Within this document you will find an overview of each school and the proposals they are consulting on, together with a link to where you can find their consultation documents. The document also provides an overview of the proposed transition options for children and young people as we move towards a two-tier system.

We really want to hear your views before we decide whether to take on this big change in schools structures in Bedford Borough. More than 90% of our schools are independently rated as good or outstanding according to the school inspector Ofsted, putting us at the top of local authorities in the Eastern Region, and we want to continue to enable children and young people in Bedford Borough to access the best opportunities in life and the best start in life.

We hope you find the information in the document helpful and that you are able to take the time to provide your views on the proposals.

**Cllr Henry Vann**  
Education Portfolio Holder

**Mayor Dave Hodgson**  
Mayor of Bedford Borough

## Summary

In this consultation on the future organisation of schools in Bedford Borough, we are proposing - in general - that:

- Lower schools become primary schools for pupils aged 4-11 years
- Upper schools become secondary schools for pupils aged 11-18 years
- Middle schools either become primary schools, secondary schools or work with the local lower school to offer a single primary school option for that community.
- It is proposed that in July 2019 both Year 7 and Year 8 pupils from middle schools converting to primary schools, transfer to secondary school in Year 8 and Year 9 respectively.

The significant exceptions to the above proposed changes are the Wootton school cluster (Wootton Lower School, Broadmead Lower School, Marston Vale Middle School and Wootton Upper School), who have opted to remain within a three-tier education system given their links to Central Bedfordshire schools who also remain within a 3 tier system.

If the proposal is agreed, it is also intended that the change would take place over a two year period from September 2017 to September 2019.

- The proposal is reliant on individual schools' decisions. You can find out how to comment on individual school consultations in this document. Please do not comment on individual school consultations through the process outlined in this document.
- Your response to this consultation will inform the council's Executive in their decision making on whether to adopt a policy of 2 Tier education within Bedford Borough. This meeting is currently scheduled for 20<sup>th</sup> January 2016.

**Please note:** This consultation concerns proposed structural changes to schools within Bedford Borough, it does not concern school building and classroom building projects. If the consultation proposals are agreed, we will work with schools and invest in local schools - through the Bedford Borough School Capital Programme - to support them as they make this transition.

## Consultation

### What are schools consulting on?

Each school is required to consult on their own age range or admissions changes. The Governing Bodies of each school will take responses to their consultation into consideration before reaching a decision.

### What is Bedford Borough consulting on?

In this consultation we are seeking views on either moving to the proposed two tier system of primary and secondary schools or retaining the predominantly current three tier structure of lower, middle and upper schools. Responses to this consultation will be delivered to the Executive Committee in order for them to reach a decision on the proposal.

### Who is being consulted?

We want to hear from as many people as possible. Your views will help inform the decision on the future of education in Bedford Borough for the current and future generations of young people. We are specifically consulting the following groups, and would encourage anyone interested to read through this proposal document and give us your views:

- Parents of every registered pupil at a school in Bedford Borough
- Parents of potential pupils in Bedford Borough and in Early Years provision
- Staff who work at the schools in Bedford Borough
- Our local communities
- Schools within Bedford Borough
- Parish Councils
- The Church of England and Roman Catholic Dioceses
- Anyone else who has an interest in the proposal

### How are we consulting?

The Consultation document will be available online at [www.bedford.gov.uk/consultation](http://www.bedford.gov.uk/consultation), where it is possible to complete an online response form. Please do take the opportunity to respond online.

If you have any questions, you can also e-mail them to us at: [education@bedford.gov.uk](mailto:education@bedford.gov.uk) and we will use these to inform a Frequently Asked Questions and Answers Document.

### What happens next?

The results will be considered at an executive meeting on 20<sup>th</sup> January 2016 along with the capital expenditure for schools for the coming year.

## Overview

In this section, we have set out in colour charts what the proposed structure will look like across each cluster of local schools. At the bottom of this section we also list schools not currently proposing to change their structure.

Wilstead/Wixams (Note: Lakeview is already a Primary School)

\*There is a need for a secondary school within the Wixams development; Bedford Technical Academy is currently awaiting Secretary of State approval to become a secondary school.

## East West Bedford

\*Some discussions are ongoing, but there is an in principle agreement for the community to be served by the two schools working together to deliver one school on one site.
