

## RECORD OF EXECUTIVE DECISION TAKEN BY AN EXECUTIVE MEMBER

This form **MUST** be used to record any decision taken by the Elected Mayor or an individual Executive Member (Portfolio Holder).

The form must be completed and passed to the Chief Officer Democratic and Registration Services no later than NOON on the second working day after the day on which the decision is taken. No action may be taken to implement the decision(s) recorded on this form until 7 days have passed and the Chief Officer Democratic and Registration Services has confirmed the decision has not been called in.

**1. Description of decision**

To approve the updated Local Development Scheme (LDS) as a replacement for the LDS agreed in March 2016.

To authorise the Chief Officer Planning and Highways to make any necessary minor textual amendments to the LDS in order to ensure it can be brought into effect as soon as possible.

**2. Date of decision**

11 December 2017

**3. Reasons for decision**

To meet the requirements of the Planning and Compulsory Purchase Act 2004 and to ensure that the LDS is kept up to date.

**4. Alternatives considered and rejected**

There are no alternatives that allow progress in accordance with the requirements of the Planning and Compulsory Purchase Act 2004.

**5. How decision is to be funded**

From existing budgets.

**6. Conflicts of interest**

Name of all Executive members who were consulted AND declared a conflict of interest.	Nature of interest	Did Standards Committee give a dispensation for that conflict of interest? (If yes, give details and date of dispensation)	Did the Chief Executive give a dispensation for that conflict of interest? (If yes, give details and the date of the dispensation).

The Mayor has been consulted on this decision

JDH

Signed C. Atkins Date 11/12/17 Name of Decision Taker CWLR COLLEEN ATKINS

This is a public document. A copy of it must be given to the Chief Officer Democratic and Registration Services as soon as it is completed.

Date decision published: 19th December 2017

Date decision can be implemented if not called in: 27th December 2017

(Decision to be made exempt from call in.....YES or NO.....)

**Bedford Borough Council – Portfolio Holder for Community Safety and Regulatory Services**

**Date - December 2017**

**Report by - Chief Officer Planning and Highways**

**Subject - Local Development Scheme**

**1. Executive Summary**

- 1.1 The Planning and Compulsory Purchase Act 2004 requires the Council to prepare and publish a Local Development Scheme (LDS) for its area. The purpose of the LDS is to identify the key planning documents that the Council is preparing along with a timetable for their production. It also contains details of current development plan documents and policies.
- 1.2 This report seeks approval of an updated LDS to replace the currently published document. It brings the content including the timetable for the production of the Local Plan 2035 up to date.

**2. Recommendations**

**a. That the proposed replacement Local Development Scheme (LDS) attached as Appendix A be approved and brought into effect by the Council;**

**b. That the Chief Officer Planning and Highways be authorised to make any necessary minor textual amendments to the LDS in order to ensure it can be brought into effect as soon as possible.**

**3. Reasons for Recommendations**

- 3.1 To meet the regulatory requirements of the Planning and Compulsory Purchase Act 2004 and to ensure that the LDS is kept up to date.

**4. Key Implications**

**(a) Policy**

The LDS identifies the Council's priorities and work programme for the development or review of policies. Of itself therefore the LDS has no policy implications.

**(b) Legal Issues**

The Council has a statutory duty to prepare, maintain and review as appropriate its LDS. The document has been prepared in accordance with the Town & Country Planning (Local Planning)(England) Regulations 2012 and the Localism Act 2011.

**(c) Resource Implications**

Appendix A sets out an LDS which is intended to be delivered within current resources, funded from existing budgets and from calls on the Plans and Strategies Reserve as required.

**(d) Risk Implications**

Critical to the delivery of the timetable set out in the LDS is the availability of adequate financial resources and experienced staff. The degree of complexity of the documents as they develop and the level of involvement by third parties in the process (such as the Planning Inspectorate) will both have a bearing on the timetable and cannot be forecast with certainty at this point. Timetables must be monitored and updated as required.

**(e) Environmental Implications**

Of itself the LDS has no environmental implications.

**(f) Equalities Impact**

In preparing this report, due consideration has been given to the Borough Council's statutory Equality Duty to eliminate unlawful discrimination, advance equality of opportunity and foster good relations, as set out in Section 149(1) of the Equality Act 2010. A relevance test for equality has been completed. The equality test determined that the activity has no relevance to Bedford Borough Council's statutory equality duty to eliminate unlawful discrimination, advance equality of opportunity and foster good relation. An equality analysis is not needed.

## **5. Details**

- 5.1 The Current Local Development Scheme was approved on 31 March 2016 and brought into effect on 15 April 2016.
- 5.2 This 2017 review of the LDS is required in order to revise the timetable for the preparation of the Local Plan 2035.
- 5.3 The update is required in order to bring forward the submission date of the local plan for formal examination from October 2018 to March 2018. As a consequence, dates when the Local Plan 2035 will be considered by Executive and Full Council must also change.
- 5.4 The Government is currently preparing updates to the National Planning Policy Framework and expects to bring into force new national planning policy by the end of March 2018. A recent consultation suggests that the objectively assessed housing need for Bedford Borough may increase by more than 6,100 dwellings (from 19,000 to 25,160 dwellings between the years 2015-2035) as a result of those proposed changes. Any local plan submitted for examination after the National Planning Policy Framework is updated must be based on the new higher housing need number.
- 5.5 The Council does not agree with the Government's proposed new method of calculating objectively assessed need and has submitted a consultation response to that effect. However there is no guarantee that it will be changed or that outcome for Bedford Borough will be any different to that set out in the Government's recent consultation material.
- 5.6 The proposed change in methodology would have a significant impact on the number of new dwellings that would need to be allocated in the Local Plan 2035. Based on the current calculation of housing need (19,000 dwellings), once existing allocations, planning permissions and completions since 2015 have been deducted, the Council would need to find land for around 8,000 dwellings. Based on the Government's new methodology, the Local Plan 2035 would need to find land for around 14,100 dwellings. This represents an increase of over 75%. The technical assessments and evidence base prepared over the last three years do not support this scale of growth and would need to be revisited.
- 5.7 For this reason the Council will now accelerate the progression of the plan and seek to achieve submission before the end of March 2018. This is reflected in the updated LDS and will allow the Council to take advantage of transitional arrangements and maintain 19,000 dwellings as the basis for the Local Plan 2035. Future plans would need to be prepared in accordance with the changed National Planning Policy Framework.

## **6. Summary of Consultations and Outcome**

6.1 The following Council units or Officers and/or other organisations have been consulted in preparing this report:

Management Team  
Legal  
Finance

**7. Ward Councillor Views**

7.1 Not applicable for this report.

## 1. INTRODUCTION

- 1.1 Local planning authorities are required to prepare a Local Development Scheme (LDS). The scheme is a public statement which sets out the programme for the production of Local Development Documents (LDDs).
- 1.2 This 2017 review of the LDS is required to amend the timetable for the preparation of the Local Plan 2035. It replaces the LDS adopted in April 2016 and will be reviewed as frequently as is necessary to ensure that it is kept up to date.
- 1.3 The LDS is available for inspection at the Customer Service Centre, 2 Horne Lane, Bedford, MK40 1SJ during normal office hours and via the Council's website at [Local Development Scheme](#)

### NATIONAL POLICY

#### THE LOCALISM ACT 2011

- 1.4 [The Localism Act](#) introduced new rights and powers to allow local communities to shape new development by working together to prepare neighbourhood development plans (NDPs). These may be taken forward either by town and parish Councils or by neighbourhood forums.
- 1.5 Neighbourhood Plans are a powerful tool for shaping the development and growth of a local area. They should not just re- state the Council's plan but set out the community's views on the development and use of land in their neighbourhood. The Localism Act includes a "basic condition" that requires Neighbourhood Plans to be in general conformity with the strategic policies of the local plan.
- 1.6 Unlike many of the parish, village or town plans produced in the past, a Neighbourhood Plan becomes a formal part of the planning system. Neighbourhood Plans form part of the development plan and sit alongside documents adopted by the local authority. Planning applications will need to be decided against the Council's plans, adopted Neighbourhood Plans and any other material considerations.
- 1.7 In another important change to the planning system, communities can use neighbourhood planning to permit the development they want to see-in full or in outline, without the need for planning applications. This can be achieved through the preparation of 'neighbourhood development orders' (NDO).

- 1.8 The borough council will continue to produce local plan(s) that set the strategic context within which neighbourhood development plans sit and will provide information about neighbourhood planning to help local groups decide whether they want to take advantage of their new planning powers.
- 1.9 Further information is available on the Council's website following this link: [Neighbourhood Planning](#)

#### TOWN AND COUNTRY PLANNING (LOCAL PLANNING) (ENGLAND) REGULATIONS 2012

- 1.10 Part 2 of the Planning and Compulsory Purchase Act 2004 (["the Act"](#)) establishes a system of local development planning in England and the [2012 Regulations](#) update provision for the operation of that system.

#### THE NATIONAL PLANNING POLICY FRAMEWORK 2012

- 1.11 In addition to these two new pieces of legislation the National Planning Policy Framework ([NPPF](#)) was published in March 2012. Planning law requires that applications for planning permission must be determined in accordance with the development plan unless material considerations indicate otherwise. The NPPF does not change the statutory status of the development plan as the starting point for decision making. The NPPF is however a material consideration and must be taken into account in the decision making process.
- 1.12 Saved policies in the Local Plan 2002, policies in the Core Strategy and Rural Issues Plan and in the Bedford Town Centre Area Action Plan 2008 are to be given weight in the decision making process dependent on the degree of consistency with the NPPF. It is the Council's view that the overall strategy of these adopted plans is consistent with the NPPF. The Allocations and Designations Local Plan was examined and adopted in 2013 so its policies post-date the introduction of and have been found to be consistent with the NPPF.

#### THE NATIONAL PLANNING PRACTICE GUIDANCE

- 1.13 On 6 March 2014 the Department for Communities and Local Government (DCLG) launched the [planning practice guidance web-based resource](#). This was accompanied by a [Written Ministerial Statement](#) which includes a [list of the previous planning practice guidance documents cancelled](#) when this site was launched.

## 2. THE DEVELOPMENT PLAN

- 2.1 When determining planning applications the decision shall be in accordance with the development plan unless material considerations indicate otherwise. The statutory development plan for the borough is currently made up of the following documents
- [Saved Local Plan 2002 policies.](#)
  - [Saved Minerals and Waste Local Plan 2005 policies.](#)
  - [The Core Strategy and Rural Issues Plan \(2008\)](#)
  - [The Bedford Town Centre Area Action Plan \(2008\)](#)
  - [The Allocations & Designations Local Plan \(2013\)](#)
  - [The Minerals and Waste Local Plan: Strategic Sites and Policies \(2014\)](#)
- 2.2 [The Planning and Compulsory Purchase Act \(2004\)](#) provided for transitional arrangements to allow for a smooth handover between the old Local Plan system and the Local Development Framework that replaced it. The Act allows for the policies in the existing adopted local plans to be 'saved' for a period of three years from commencement. The Secretary of State has agreed to extend the period for which Local Plan 2002 policies are saved until such time as they are replaced. This means that relevant policies in the Local Plan 2002 are still "live" and can be afforded weight in making planning decisions.
- 2.3 Appendix 1 of this LDS lists all the policies in the adopted Local Plan 2002. Some have already been replaced by the Core Strategy and Rural Issues Plan, the Bedford Town Centre Area Action Plan and the Allocations and Designations Local Plan.
- 2.4 The transitional arrangements did not allow for the formal 'saving' of approved supplementary planning guidance. However the Council's adopted supplementary planning guidance will continue to be a material consideration in the determination of planning applications as it elaborates upon saved Local Plan 2002 policies. Appendix 2 sets out a schedule of current supplementary planning guidance (SPG).
- 2.5 Minerals and waste planning is dealt with on behalf of the unitary councils (Bedford Borough Council, Central Bedfordshire Council and Luton Borough Council) by a shared Minerals and Waste Service that is hosted by Central Bedfordshire Council. Following the recent adoption of the Minerals and Waste Local Plan: Strategic Sites and Policies(2014), remaining saved Minerals and Waste Local Plan 2005 general and environmental policies will be reviewed as part of the Unitary Councils' individual local plans, in the case of Bedford Borough, the Local Plan 2035.

### **3. STATEMENT OF COMMUNITY INVOLVEMENT**

- 3.1 A revised [Statement of Community Involvement](#) was adopted on 10 July 2013. The document sets out consultation standards and the Council's approach to involving the community and stakeholders in the production of planning documents. It replaces the first Statement of Community Involvement that was adopted in 2006.

### **4. COMMUNITY INFRASTRUCTURE LEVY**

- 4.1 The introduction of a [Community Infrastructure Levy](#) was agreed and a charging schedule adopted by the Council on 5 February 2014 to be brought into effect from 1 April 2014. Related to this, a [Planning Obligations SPD](#) was adopted by the Council on 17 July 2013. The supplementary planning document sets out the approach and standards for securing and using developer contributions alongside the operation of CIL.

### **5. SUPPLEMENTARY PLANNING DOCUMENTS**

- 5.1 Details of adopted local development documents are listed in Appendix 3. Documents under preparation and planned but not yet commenced are listed in Appendix 4.

### **6. POLICIES MAP**

- 6.1 The Town & Country Planning (Local Planning) (England) Regulations 2012 Regulation 9 requires the local planning authority to provide a [policies map](#) illustrating geographically the application of the policies in the adopted development plan. As a result of the adoption of the Allocations & Designations Local Plan the policies map was updated in January 2014.

## **7. DOCUMENTS UNDER PREPARATION**

### BEDFORD BOROUGH LOCAL PLAN 2035

- 7.1 Work continues on a [new local plan for Bedford Borough](#). The Local Plan 2035 rolls forward the development period beyond 2021 to 2035 and will apply to the whole of the local authority area. It will also contain development management policies which are the general policies taken into account when reaching decisions on planning applications. The Local Plan 2035 will include general and environmental minerals and waste policies which were not included in the Minerals and Waste Local Plan: Strategic Sites and Policies (2014)
- 7.2 A first Issues and Options consultation was carried out in January and February 2014 to mark the commencement of the plan and gather opinion on a range of strategic issues. A 'call for sites' was also undertaken as part of this exercise. A second consultation and 'call for sites' was undertaken in autumn of 2015. In addition a number of background documents along with a revised Strategic Housing Market Assessment (SHMA) were available for consultation in January 2016. During April, May and June 2017 a further consultation invited comments on a preferred local plan strategy which included development capacity from one or more new settlements. Potential development allocations were also identified and views invited.
- 7.3 A timetable for the production of the Local Plan 2035 is set out at Appendix 5

### SUPPLEMENTARY PLANNING DOCUMENTS

- 7.4 A Thurleigh Airfield Development Brief may be prepared to update the guidance adopted in 1996. However, the preparation of neighbourhood plans in this part of the borough may mean that a revision of the SPG is unnecessary. The Council will monitor the situation and progress the SPD if it is required.
- 7.5 A Sustainable Urban Drainage Systems SPD is being produced. It will provide a framework to promote sustainable drainage systems and identify the information required in order to validate planning applications. It will apply to the whole Borough and expand emerging Local Plan 2035 policy and policy in the National Planning Policy Framework.
- 7.5 Diagram 1 shows the relationship between the adopted and emerging Local Development Documents mentioned above. Diagram 2 shows the documents which will provide the framework for development in the borough following the adoption of the Local Plan 2035.

DIAGRAM 1 RELATIONSHIP BETWEEN LOCAL DEVELOPMENT DOCUMENTS

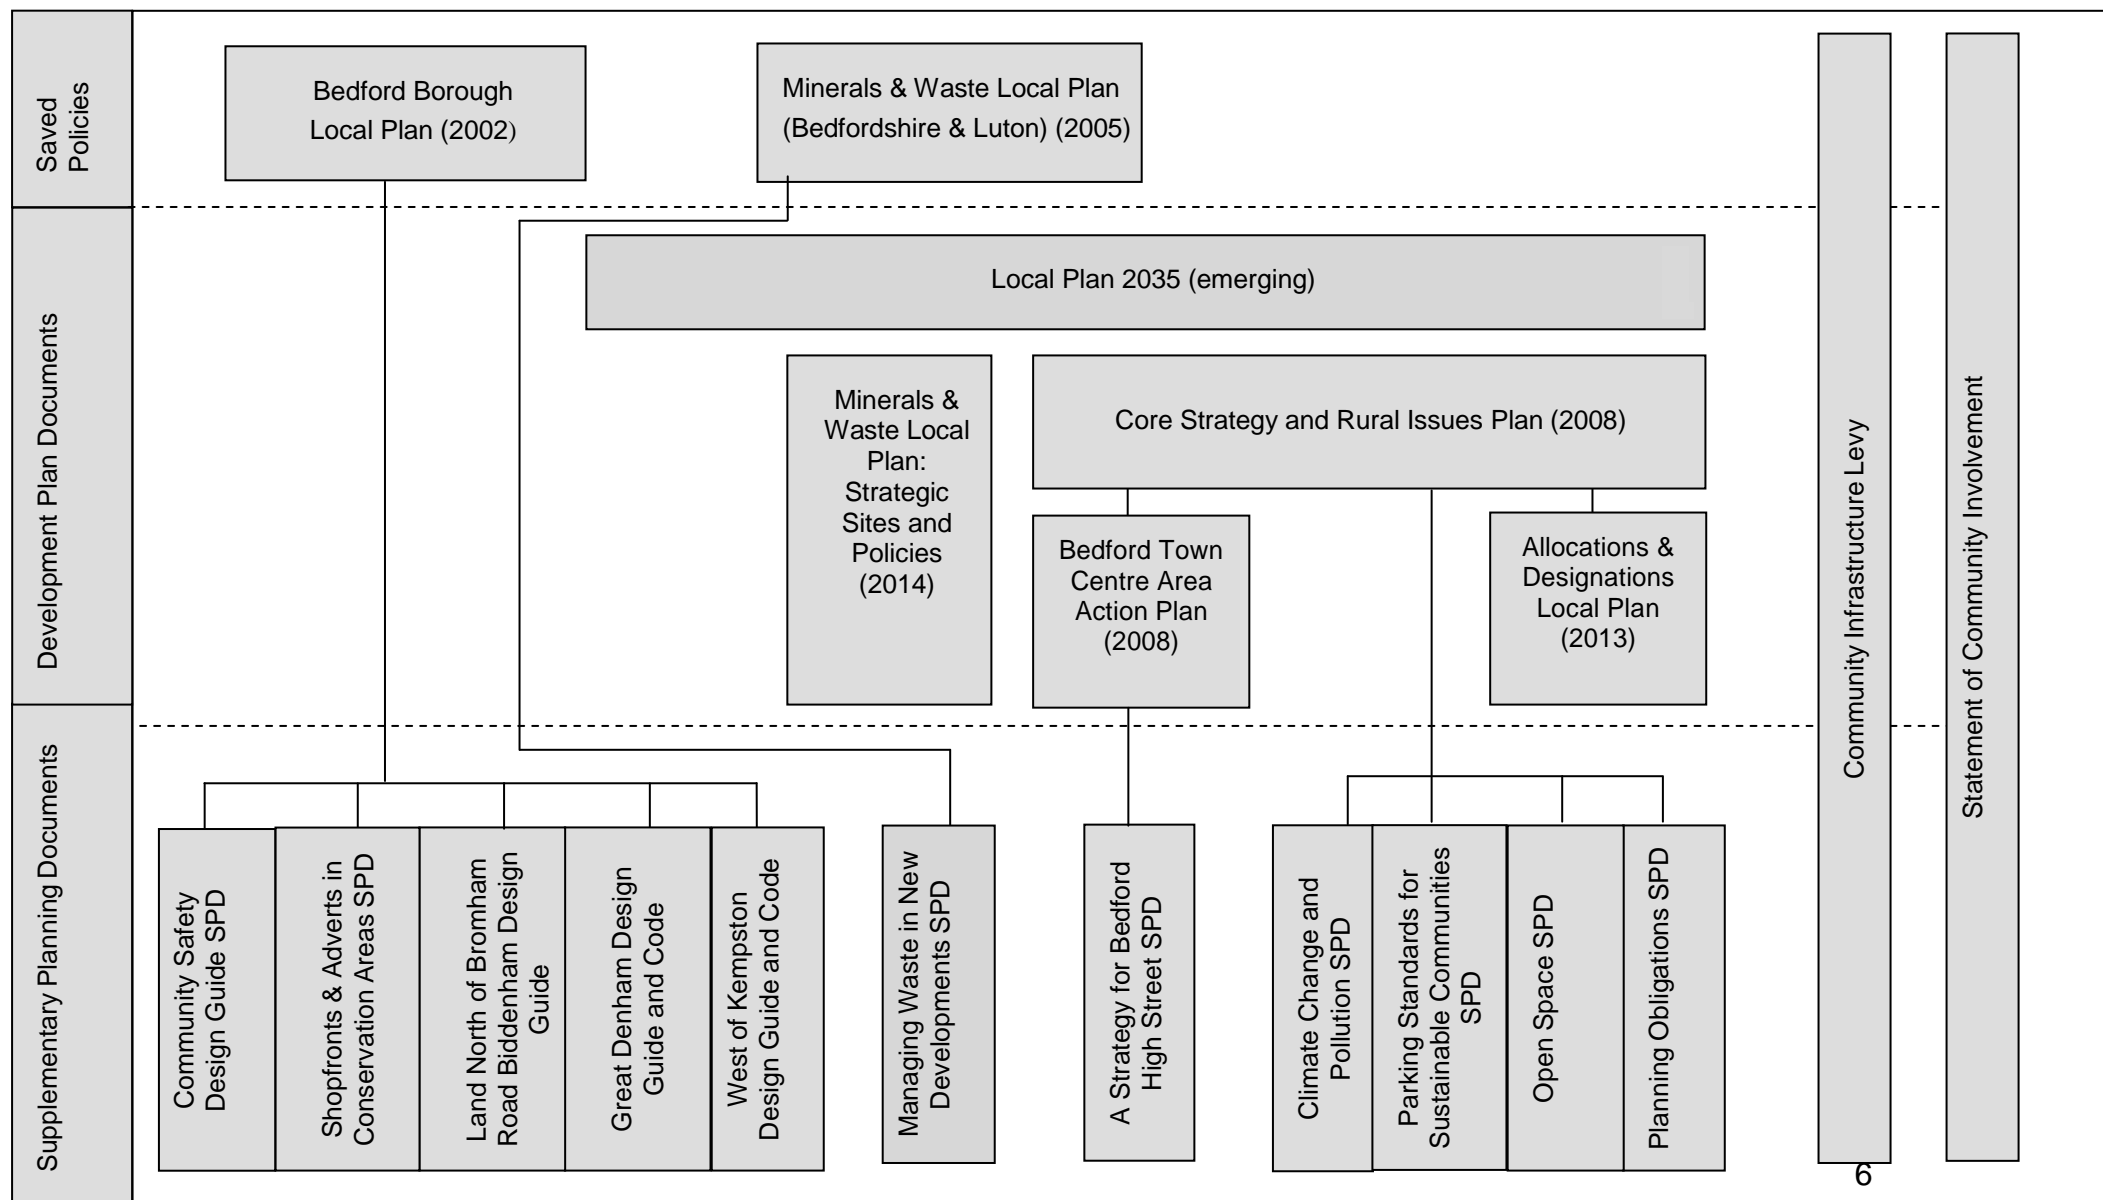

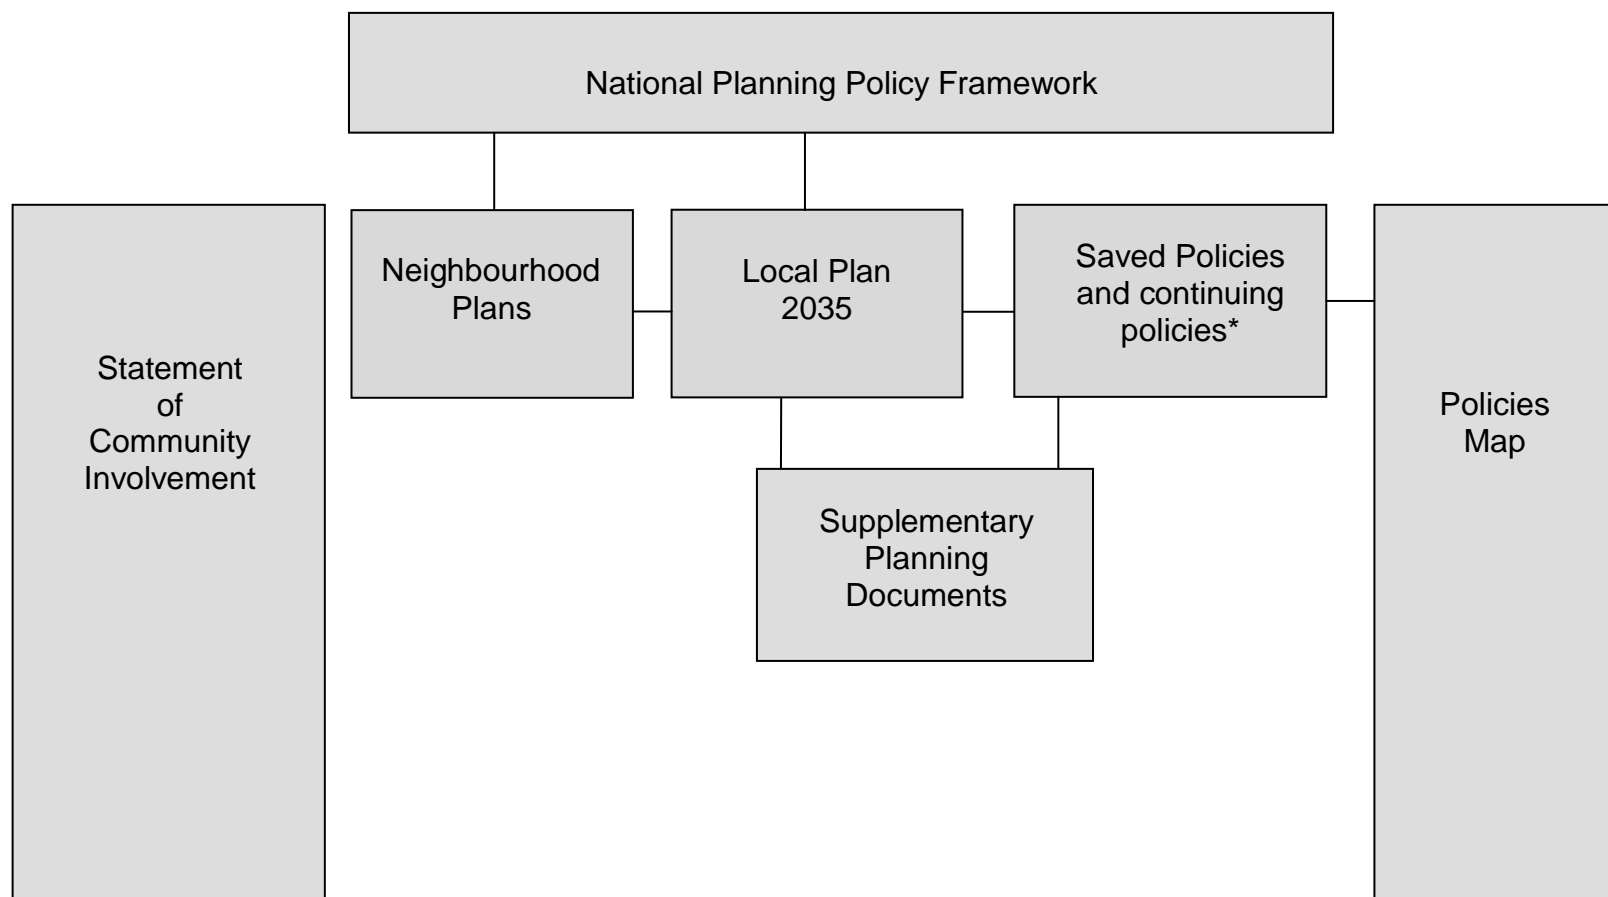

DIAGRAM 2 DOCUMENTS WHICH WILL PROVIDE THE FRAMEWORK FOR DEVELOPMENT IN THE BOROUGH  
FOLLOWING THE ADOPTION OF LOCAL PLAN 2035

\*Saved Local Plan 2002 policies and continuing policies from adopted plans not to be replaced by policies in the Local Plan 2035.

## **8. PROJECT MANAGEMENT RESOURCES**

- 8.1 The main resource for the preparation of the Local Development Documents will be the Planning Policy team along with specialist officers within the Environment Directorate, consultancy and legal advice as required. The team's top priority is the preparation of the Local Plan 2035.
- 8.2 The production of any further SPDs relating to the major sites will depend on the resources of external parties as the initial drafts are expected to be produced by consultants acting for the developers concerned with the individual sites. Council resources will also be required. It is intended that the documents would be produced on a collaborative basis.
- 8.3 The timetable provided in this document is dependent on resource being available as and when required.

## **9. SUSTAINABILITY APPRAISAL AND STRATEGIC ENVIRONMENTAL ASSESSMENT**

- 9.1 One of the requirements of the plan-making system is to undertake a [sustainability appraisal](#) and [strategic environmental assessment](#) of Local Development Documents. This appraisal process is one which should shape the content of the documents by being undertaken at key stages in the documents' preparation. Therefore in the preparation of Local Development Documents the Council will:
- At the pre-production stage: carry out a scoping exercise and collect baseline information.
  - At the document production stage (issues and options): carry out an appraisal and prepare a sustainability report.
  - At the submission stage; make available the sustainability appraisal report, amended and updated as necessary.
  - At the examination stage; where necessary, appraise any significant changes proposed.
  - At adoption; integrate into ongoing monitoring activity.

## **10. MONITORING AND REVIEW**

- 10.1 The Council is required to prepare a Bedford Borough Planning Monitoring Report ([BBPMR](#)) to monitor how effectively its policies and proposals are being implemented, and what action might need to be taken to address emerging issues or problems. This includes an assessment of the level of housing completions against housing requirements. It also reports on progress being made in implementing the work programme set out in the Local Development Scheme.

- 10.2 Arising from the Bedford Borough Planning Monitoring Report, the Council will consider what changes, if any, need to be made to the Local Development Scheme. The Council will bring forward changes to the Local Development Scheme at other times in response to significant new issues or changes in circumstance.

## **11. EVIDENCE BASE**

- 11.1 It is important that the preparation of Local Development Documents is underpinned by a strong base of evidence to inform their proposals. Each document under preparation will set out its evidence base and relevant documents will be made available on the Council's web site.

## APPENDIX 1

### SAVED BEDFORD BOROUGH LOCAL PLAN 2002 POLICIES

The following list shows all the policies of the Local Plan adopted in October 2002. The policies highlighted in red have been deleted. The policies highlighted in blue have been partially deleted. The 'comment' column indicates when the policy was deleted or partially deleted.

#### Key dates

27<sup>th</sup> September 2007; First 'saving' of local plan policies

16<sup>th</sup> April 2008; Adoption of the Core Strategy & Rural Issues Plan

8<sup>th</sup> October 2008; Adoption of the Town Centre Area Action Plan

17 July 2013; Adoption of the Allocations and Designations Local Plan

Policy	Title	Comment
<b>BOROUGH STRATEGY</b>

## APPENDIX 2

### MATERIAL SUPPLEMENTARY PLANNING GUIDANCE

The following supplementary planning guidance (SPG) which relates to policies in the adopted Local Plan 2002, was prepared in accordance with Government guidance and is considered to be a material consideration in the determination of planning applications.

Name of SPG and Date	Policy in Local Plan 2002 to which it relates
<b>Development Briefs</b>	
Great Denham (formerly Biddenham Loop) Revised Brief (2003) supplemented by Great Denham Design Guide and Code SPD January 2010	H6
Land West of Kempston (2003) supplemented by West of Kempston Design Guide and Code SPD January 2010	H7
Land North of Bromham Road Biddenham (2003)	H8
Land at Shortstown (2003)	H9
Wootton Development Brief (1999)	H11 & H12
Elstow New Settlement (1999) (Wixams)	H14
Thurleigh Airfield Development Brief (1996) (will be replaced in due course)	E11
<b>Design Guides</b>	
Achieving Quality in Residential Layouts (1997)	BE35
Residential Extensions, New Dwellings and Small Infill Developments (2000)	BE29
Mobility Housing (2000)	H34
Traffic Calming – Streets for People (1996)	T20

Water Conservation and Waste Management (2001)	NE24
Farm Buildings (1986)	BE30
Landscape Design Guidance	BE38 - BE40
<b>Strategies</b>	
Managing Waste in New Developments SPD (2006) Bedfordshire & Luton Minerals and Waste Local Plan	(2005) Policies W5 and W6

## APPENDIX 3

### SCHEDULE OF ADOPTED LOCAL DEVELOPMENT DOCUMENTS

DPD = Development Plan Document SPD = Supplementary Planning Document LDD = Local Development Document

Document Title	Status	Role and Content	Geographical Coverage	Chain of Conformity	Date for pre-submission consultation (Issues & Options)	Date for public participation on draft (DPD) draft SPD and sustainability appraisal report	Date for submission to Secretary of State	Proposed date for adoption
Community Safety	SPD	To identify a set of design principles which will assist in planning out crime	Whole authority area	To conform with saved policy BE45	N/A	July -Sept 2005	N/A	Adopted Nov 2005
Shopfronts & Adverts in Conservation Areas	SPD	Provides detailed guidance on the design of shopfronts and adverts in conservation areas	The town centre and conservation areas in authority area	To conform with saved policies TC4 and BE16	N/A	Sept – Oct 2005	N/A	Adopted Nov 2005

### LOCAL PLAN 2035 TIMETABLE

2017

Jan	Feb	March	April	May	June	July	Aug	Sept	Oct	Nov	Dec
	E		C	C							

2018

Jan	Feb	March	April	May	June	July	Aug	Sept	Oct	Nov	Dec
E C	C	C E F/C									

E Executive meeting

F/C Full Council

C Consultation period

	Assessment of new settlement options and reconsideration of development strategy.
	Consider consultation responses and prepare submission plan.
	Obtain Executive approval to consult on the submission plan and carry out the consultation. Appoint Programme Officer.
	Consider consultation responses and obtain Executive/Full Council approval to submit the plan.
	Prepare submission documents and submit the plan.
	Examination takes place including hearing sessions. Evidence prepared.
	Consult on main modifications (if required) and receive Inspector's report. Adopt the plan.

## LOCAL PLAN 2035 TIMETABLE

<b>Document Details</b>	
Title	Bedford Borough Local Plan 2035
Role and Content	Identifies levels of growth and the spatial strategy to be adopted by the Council. It allocates land for development, designates specific areas subject to planning policies controlling development and includes development management policies. The Local Plan 2035 will also include Minerals and Waste general and environmental policies (replacing those currently 'saved' from the Minerals and Waste Local Plan 2005).
Status	Local Development Document/Local Plan
Chain of Conformity	To conform with the NPPF/Corporate priorities and policies.
Geographic coverage	Whole Authority Area

<b>Timetable</b>	
Pre-production	Complete
Preparation of issues and alternative options and consideration of representations	Complete (2014)
Further consultation	Complete (2015)
Focussed consultation on preferred strategy	Complete (2017)
Submission consultation	Early 2018

Submission to the Secretary of State	March 2018
Pre-hearing meeting	Spring/Early Summer 2018
Examination period	Summer/Autumn 2018
Receipt of Inspector's binding report	Late 2018
Adoption	Late 2018

<b>Arrangements for production</b>	
Lead organisation/department	Chief Officer Planning and Highways
Management arrangements	Key stages agreed by Executive and Full Council in accordance with the Council's constitution. Adoption by Full Council.
Resources required	Planning Policy team and input from across the Council. Consultancy input to background studies and reports. Input from duty to cooperate partners.
Approach to involving the community	In accordance with the SCI.

<b>Post production</b>	
Monitoring and review mechanisms	Bedford Borough Planning Monitoring Report

## APPENDIX 6

### GLOSSARY OF TERMS

**Allocations** Sites specifically identified on the Policies Map for development.

**Core Strategy & Rural Issues Plan** The long-term spatial vision and strategy for the local planning authority area, including the key strategic policies and proposals to deliver that vision. The Plan is a part of Bedford's Development Plan.

**Design Codes** A set of specific rules or requirements to guide the physical development of a site or place. The aim of design coding is to provide clarity as to what constitutes acceptable design quality and thereby provides a level of certainty for developers and the local community alike that can help to facilitate the delivery of good quality new development.

**Designations** Areas shown on the Policies Map to which specific policies apply (not allocations).

**Development Briefs** Prepared by the Borough Council as a detailed statement of its planning policies for a particular site and its aspirations in terms of uses, layout and design principles.

**Development Plan Defined** under S.38 of the Planning and Compulsory Purchase Act 2004. This is the prime consideration in the determination of planning applications. For Bedford Borough Council this is the Core Strategy and Rural Issues Plan, the Bedford Town Centre Area Action Plan, the Allocations and Designations Local Plan and saved policies from the Local Plan 2002. Minerals and Waste policies also form part of the development plan.

**Development Plan Document (DPD)** Spatial planning document prepared by the local planning authority that is subject to an independent public examination. They can cover a range of issues, and will set out the main spatial strategy, policies and proposals of the Council.

**Local Development Documents (LDDs)** Generic term for documents that can be included in the Development Plan and other planning documents. Collectively LDDs deliver the spatial strategy for the local planning authority area.

**Local Development Framework (LDF)** A portfolio of Local Development Documents that provides the framework for delivering the spatial strategy of the area. From 2012 the term Local Development Framework will no longer be used. The portfolio of documents will normally be replaced by one document known as a Local Plan.

**Local Development Scheme (LDS)** Rolling three-year project plan for the preparation of Local Development Documents.

**Localism Act** Gives more power and responsibility to neighbourhoods and local community groups. It also proposed the revocation of regional planning guidance.

**Local Plan 2002** Statutory district-wide document prepared pre 2004 that sets out land use policies and proposals for the area.

**Local Plan** Part of the Development Plan under the old system. Statutory district-wide document prepared under the old system sets out land use policies and proposals for the area. Since 2012, however the term 'Local Plan' is once again used to describe the document containing the Council's land use policies and proposals.

**National Planning Policy Framework** National planning policy which replaces all PPGs and PPSs in one document.

**Policies Map** Illustrates policies and proposals in local development documents.

**Regional Spatial Strategy** Previously a statutory document that has now been revoked.

**Statement of Community Involvement (SCI)** Sets out the approach of the authority to involving the community in the preparation, alteration and review of Local Development Documents and in the consideration of significant planning applications.

**Strategic Environmental Assessment (SEA)** Environmental assessment of policies, plans and programmes required under the European SEA Directive 2001/42/EC.

**Structure Plan** Part of the Development Plan under the pre-2004 system.

**Supplementary Planning Documents (SPD)** Non-statutory documents that expand upon adopted planning policies or proposals. These replace Supplementary Planning Guidance.

**Supplementary Planning Guidance (SPG)** Non-statutory guidance prepared under the pre-2004 system to expand upon policies and proposals in the Local Plan 2002.

**Sustainability Appraisal (SA)** A social, economic and environmental appraisal of strategy, policies and proposals – required for the Regional Spatial Strategy, all Development Plan Documents and, where necessary, Supplementary Planning Documents. To be undertaken jointly with Strategic Environmental Assessment.

**Sustainable Community Strategy** Sets out goals and aims to tackle identified pressing problems in the Borough around 7 themes: Thriving; Greener; Aspiring; Healthy; Safer; Inclusive; and Growing. The views of key stakeholders, communities and citizens have been sought to achieve a shared vision across the Borough.
